

City of Sunnyvale
Parks and Trees Division
221 Commercial Street
Sunnyvale, CA 94085
(408) 730-7506
parks@sunnyvale.ca.gov

Requirements for having work performed on a street tree by a contractor:

- A certified ISA (International Society of Arboriculture) Arborist must perform the work; a listing of these by zip code is available at:
<http://www.treesaregood.com/>
- Contractor must carry and submit proof of Workers' Compensation insurance, Property Damage insurance and Liability insurance;
- Contractor must have a State of California Contractors License to do tree work. Acceptable licenses include the following: D-49 or a C27 Landscape license;
- Contractors applying any type of spray to a tree must have a Qualified Applicators Certificate (QAC) from the California Department of Pesticide Regulation;
- Contractor must meet with the City Arborist on site the day work is to be done. Please give at least 72 hours notice prior to work being performed;
- Permit application must have the signature of the applicant;
- Homeowner must provide proof of liability and property damage insurance.

*** Permit will take up to two weeks for preparation once all the documentation needed is received by the City.**
